YOUR CONNECTION TO A SAFER FUTURE

House Wires & Cables Pricelist

About Polycab India Ltd

Polycab India Limited (PIL) is India's largest manufacturer of Wires and Cables and one of the fastest growing FMEG companies with a consolidated turnover of INR 141+ Bn in FY23. PIL is at the forefront of providing innovative, safe and energy efficient products to a diverse set of customers via a strong distribution network of 4,300+ authorized dealers and 205,000+ retail outlets. PIL's business operations span across India through 25 manufacturing facilities, 12+ offices and 26+ warehouses. PIL has also served customers in 70 countries globally. PIL's 4,400+ employees are dedicated to upholding robust governance practices, preserving a customer centric culture, having a purpose to serve the communities, and imbibing a genuine sense of ecological consciousness.

India's Widest Range of Wires & Cables

We manufacture and sell a diverse range of wires and cables and our key products in the wires and cables segment are power cables, control cables, instrumentation cables, solar cables, building wires, flexible cables, flexible/single multi core cables, communication cables and others including welding cables, submersible flat and round cables, rubber cables, overhead conductors, railway signalling cables and specialty cables. We strive to deliver customized and innovative products with speed and quality service. Our production process is designed to ensure quality while delivering the ability to produce complex electrical products on short timeframes to meet our customers' needs.

Innovation & Sustainability

Polycab's house wires epitomize innovation and sustainability. We've invested heavily in research and development to create products that cater to our customers' dynamic needs while maintaining a strong commitment to safety and the environment. Polycab house wires are made from **lead free non-carcinogenic raw materials**. They meet stringent European norms and are RoHS and

REACH compliant.

Our R&D team is dedicated to pioneering ground-breaking solutions, with a focus on customer safety. We're proud to have engineered insulating compounds that ensure safety during fire emergencies and also possess a **high oxygen index**, setting new standards for **safety and environmental responsibility**.

Quality Focus

- Our manufacturing facilities are accredited with quality management system certificates for compliance with **ISO 9001, ISO 14001 and OHSAS 18001** requirements.
- Our products are also certified to be compliant with various national and international quality standards including Bureau of Indian Standards '**BIS**', British Approvals Service for Cables '**BASEC**', **UL** and international electrotechnical commission '**IEC**'.

EXTRA SAFE, LOW SMOKE WIRES
